## **EVENTS**

### **National Planning Conference (New Orleans, April 10-13, 2010)**

<http://www.planning.org/conference/neworleans>

Every spring, APA hosts a national conference that showcases the latest research, case studies, innovative ideas, and best practices in the field of planning. The 2010 National Planning Conference will feature two special food system events: a Food systems planning Interest Group (FIG) Meeting and a Evening Social Event & Film Screening on April 10. For more information about these events, visit

<http://planninghealthycommunities.ning.com/events/apas-national-planning>
