

Resource List
The Future of Urban Agriculture
Workshop, June 26, 2009
SAFSF Annual Forum
Greensboro, NC

Moderator: *Greg Horner*, Cedar Tree Foundation, greg@cedartreefound.org

Speakers:

Daniel Dermitzel, Kansas City Center for Urban Agriculture, daniel@kccua.org
Mary Seton Corboy, Greensgrow Farm, Philadelphia, Setonc@aol.com

RESOURCES:

WRITTEN:

Primer on Urban Agriculture: http://www.foodsecurity.org/ua_home.html#reading Includes fact sheets and an introduction to Urban Ag as a field.

City Farmer Website: <http://www.cityfarmer.info/> - a great resource for all things Urban Ag.

Worldwatch, “State of the World 2007”, Chapter 8: <http://www.worldwatch.org/node/4832>
Entitled “Farming the Cities”, has an international perspective.

News articles: online list of articles relating to urban ag: <http://urbanag.pbworks.com/urban-ag-in-the-news>

Urban Grown Newsletter: www.kccua.org/urbangrown.htm

Continuous Productive Urban Landscapes: Designing Urban Agriculture for Sustainable Cities; a book by Andre Viljoen

Guide to Community and Regional Food Planning; from the American Planning Association
<http://www.planning.org/policy/guides/adopted/food.htm>

EVENTS/LEARNING OPPORTUNITIES

The 2010 SAFSF June Forum in Philadelphia will have urban and peri-urban agriculture as a strong focus.

Urban Ag funders network: emerging network of funders interested in urban agriculture, a joint project of SAFSF and The Funders Network on Smart Growth and Livable Cities. To join mailing list, email Virginia Clarke at vclarke@safsf.org

Urban Ag Conference: (Unconfirmed) Anticipated Winter 2010 Michael Fields Ag Institute conference

Community Food Security Conference: Des Moines, Iowa, October 10-13, 2009
a good place to learn more about urban ag, local food, community building, sustainability and more.
